

HAMS Mission Statement

The HAMS Harm Reduction Network provides information and support for people who wish to reduce the harm in their lives caused by the use of alcohol or drugs. HAMS neither encourages nor condemns alcohol use or alcohol intoxication. HAMS recognizes recreational intoxication as a reality and seeks to reduce harms associated with it. HAMS believes in the autonomy of the individual and supports each individual's choice of a goal vis a vis alcohol - whether the goal is safer drinking, reduced drinking, or quitting. HAMS supports every positive change. The focus of HAMS is alcohol harm reduction, but users of any substance are welcome. HAMS offers support via live and online groups and offers information via the web and printed page. HAMS support groups are lay-led and free-of charge.
